## #SCBL2023 Paperback Pre-Order Forms

**Time is flying by fast!!** We are very excited about this year's event and that you are planning to attend.

As you may or may not know, some authors travel a great distance to be at our event to meet you in person. This requires some of them to limit the books that they bring. And some authors like to give you a great discount if you purchase the book in advance and they bring the book to you at the event. Below are the Pre-order forms for signed print copies of books from the authors offering pre-orders this year. Please take a peek and look for opportunities for great deals and ensure that you have a guaranteed book that may be limited during the actual event!

*Click on the name of the author to open the pre-order form.*

**Note:** Authors who have elected not to be a part of the pre-ordering for this year will not be listed below.

Please reach out to the author directly with questions that you may have.
